AMENDMENT AND SUPPLEMENTATION TO COMPLAINT

Comes now, Plaintiff, Lester Jon Ruston, and files this, his Amendment and Supplementation to his original complaint, pursuant to Rule 15 Federal Rules of Civil Procedure, and would add the following allegations of "fact":

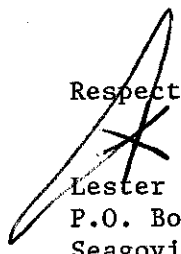

I.

The Defendants are extra judicial sources that have influenced judicial officers around the United States in all matters involving the Plaintiff. Said "act" violates 28 U.S.C. § 455. Proof of said "facts" are contained in the matter Ruston v. United States of America, 3:06-CV-238-L/G in the Northern District of Texas, Dallas Division. This matter originated in Washington, D.C. as Ruston v. Secret Service, 06-0040 before the Honorable Colleen Kollar-Kotelly, whom ordered this matter "transferred", pursuant to 28 U.S.C. § 1406. In retaliation for this filing, and others, the Defendants have allegedly influenced judicial officer A. Joe Fish to dismiss this matter by wanton acts of fraud, and judicial misconduct on July 7, 2006, when this matter was assigned to the Honorable Sam Lindsay on April 27, 2006, following the recusal of Jane J. Boyle for abuse of discretion. Plaintiff reasserts and fully incorporates all allegations of "fact" contained in this matter as if fully set forth below. The Defendants continue to commit "witness tampering", in alleged violation of 18 U.S.C. § 1512, and have "bribed" Plaintiff's son to not testify against them, in alleged violation of 18 U.S.C. § 1510. Said bribes are a matter of Social Security records from Trans-Tech Services and Rolland Safe Company, last known address 3130 Towerwood, Farmers Branch, Texas, and have been reported to Chief Jim Fawcett of the Farmers Branch Police De-

partment. Said "facts" support the request for a Preliminary Injunction, as also requested in Ruston v. Riggs, 06-0782 RMU D.C. District Court, before the Honorable Ricardo M. Urbina. Plaintiff has moved for Default Judgment in this matter, as the Defendant, Barbara S. Riggs, Deputy Director of the Secret Service, did not answer this complaint despite an extension of time from the Court.

Wherefore, premises considered, Plaintiff, Lester Jon Ruston, does file this, his Amendment and Supplementation, pursuant to Rule 15, Fed.R.Civ.P., and would move this Honorable Court to take judicial notice, and incorporate this into the Defendants service, along with a request for the Defendant's to answer to these allegations of "fact", which are now "public record" in both Kansas City, Dallas and Washington, D.C.

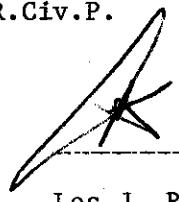

Respectfully Submitted,

Lester Jon Ruston #26834-177
